This term at Keresley Newland!

Dear Families,

This week we are simply celebrating a SUPER SPRING TERM.

Firstly, this term in **Enchanted Castle** have looked at 'How have toys changed over time?'

They have had such fun bringing in their favourite toys and sharing them with their friends. They have shared a variety of toys from soft teddies, Barbie dolls, racing cars and Pokémon cards.

This week at Keresley Newland .....11.04.25

Inside the Flying Saucer's magical moment was when they took their line drawings of animals outside and scaled them up on the playground using chalk.

Sunnyside had the best day yesterday, and that has to be the special moment of the term. Being greeted by bunnies and going on an Easter egg hunt has been *eggscellent* fun!

Sunnyside....

There have been many 'magic moments' in music lessons this term. One of them was on Pancake day when **Pride Rock Nursery** sang a song about pancakes and had a go at flipping a toy pancake while they sang! The nursery children always sing with great enthusiasm and they are an absolute joy to listen to.

**Year 4** welcome back Mrs. Sian and thanks Mr. Patel for being a brilliant supply teacher for the Spring Term!

**Neptune Bay** have had a busy and fun filled half term, but their 'magic moment' was bringing in a favourite toy from home and sharing them with each other. It was a fun start to their History topic 'Toys from the Past'.

Mrs. Palmer returns after the spring break. We say a huge thank-you to Miss O'Neill for being a brilliant teacher and we wish her all the very best for the future, and hope to see her soon!

**Personal Data:**

It is your responsibility to keep your contact details up to date with the school office. Please note you can opt in or out of photo permissions at any time by contacting the school office or through studybugs.

**Parking:**

Our children's safety is our main priority and this includes their journey to and from school. No parking is permitted in the staff carpark. Please park around the school respectfully and not over private driveways. We would encourage walking to school where possible. It is not only great exercise, but also good for the environment.

**Mobile Phones and Photographs whilst on the school site:**

Keep mobile phones out of sight of children. You are not permitted to use mobile phones during the working day or to take photographs of children on personal devices. You must refrain from posting photos or recordings on social media, websites or any public forum.

*Thank you for reading our news for the week, and we look forward to seeing everyone back after Half Term.*

*Mrs Penlington and all at Keresley Newland.*
