Meet the Team:

Hi, I'm Miss Alisha and I work in the Nurture room. Outside of work, I enjoy photography and love capturing special moments at events such as wedding, graduations, and parties. I also enjoy working in the studio with still life. In my spare time, I enjoy reading. My favourite film is Beauty and the Beast.

Thank you for reading our news for the week, and we look forward to seeing you all back in school on...
